The Best in Modern Dahlias

STANLEY JOHNSON

Pennypack Gardens

CHELtenham, PA.

Foreword

QUALITY:—It is the aim of Pennypack Gardens to introduce dahlias that will grow for you so as to brighten your garden or produce show winners. While much emphasis is placed on creative work of developing superior strains of new dahlias, most responsibility is given to the maintaining of sound disease free foundation stock.

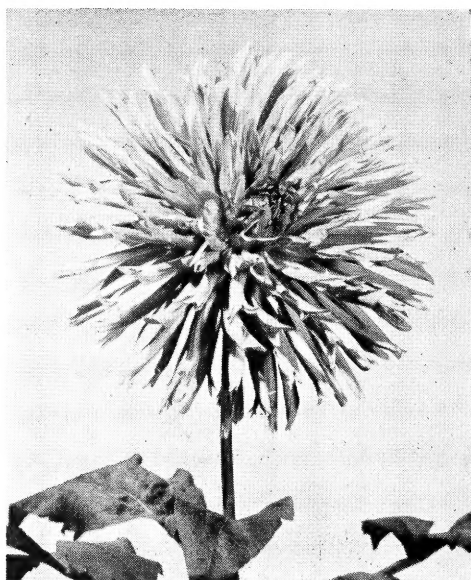

REPUTATION:—Show Record—Pennypacks new dahlias were highly honored in 1953. Friendship, Sam Herst and Snowcup won a total of 6 American Home achievement medals. Starbright and the above mentioned varieties won the American Dahlia Society Seedling Sweepstake Awards including the Gold Medal along with many blue ribbons. Friendship also won the famous Flower Grower trophy at New York City while Sam Herst captured the Best Bloom of Show at Irvington, N. J. Winning at shows is a habit for Pennypack dahlias.

PRICE:—All Pennypack dahlias are priced right. Comparison shows my prices most reasonable. Policy—high quality, low price.

RESULTS:—You can expect. Winnings for 1953 are surely impressive, but the final success is your satisfaction. A program involving testing both in the field and exhibition gardens has been carefully conducted. Any dahlia failing to grow properly under ordinary field conditions, does not bear the Pennypack label.
